Rent Payment Options

In-person rent payment services at our central office are once again available, in addition to the options below.

Paying rent using online or other non-contact processes is recommended whenever possible, such as:

- 1) NEW!
EFT (Electronic Fund Transfers). Send your rent payment to rent@mhchs.ca. You must include your name and address in the memo/message portion of the e-mail transfer so that we may apply your payment to the proper account.
- 2) If your current method of payment is cash, cheque, or money order, you have the option of using the drop-box outside the MHCHS office. Please make sure you note on the envelope your name and address. The drop-box is secure and is checked daily.
- 3) If your building has an office in the lobby, you can place your rent under the door of the office. Please make sure you note on the envelope your name and address.
- 4) If you have 3rd party payments in place, your rent payment will proceed and be processed as usual.

Please visit www.mhchs.ca for updated information.
If you have any questions, please call the MHCHS 403.527.4507.
